RE: Final Report -Letts Drop Forge Facility

Dear Mr. Letts:

The United States Environmental Protection Agency has received and reviewed the Final Report for the work performed at Letts Drop Forge Facility located at 2714 West Jefferson Ave., Detroit, MI. under the Administrative Order by Consent pursuant to Section 106 of the CERCLA of 1980, as amended, 42 U.S.C. section 9606(a). Upon reviewing the Final Report, U.S. EPA has determined that all requirements (Section 300.165 of 40 CFR) have been completed and no further action is needed. If you have any questions, please call me directly at (734) 692-7684.

Sincerely,

Kurt E. Grunert
Federal On-Scene Coordinator
United States Environmental Protection Agency
